

Declaration Letter

Date: Feb 29, 2016

To Whom It May Concern:

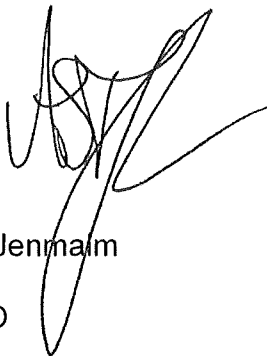

We, Bragi GMBH, here to declare that

Product name: The Dash, The Dash Left, The Dash Headset, The Dash Right,  
The Dash Charger

Model: B1000, B1000L, B1000H, B1000R, B1000C

The product size is very small and the product surface is spherical, there isn't the enough space to show the certification logo, FCC ID and IC on product body. So we want to apply for exemption to show the certification logo on another place (not in the product body), thanks for your approve.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Anders Jenmalm', written over a large, loopy flourish.
